

MODEL PERFORMANCE TESTING:

The project team shall fill in the following information in the model performance testing template.

S.No	Parameter	Screenshot / Values
1.	Dashboard design	<div><div><div>Airlines Analytics</div><div>HomeAboutDashboardTeamContact</div></div><div><div><div>We provide analysis using Airlines data</div><div></div></div></div><div><div>About Us</div><div>We use Airlines data to provide better Airline and AirPort services and to avoid delays in Air Travel across different locations at Municipality level.</div></div><div><div>Goal</div><div>The aim is to provide airports, airlines, and the travelling public with a neutral, third-party view of which airlines are delivering on their promise to get passengers from Point A to Point B on-time.</div></div></div>
2.	No of vizualization Charts	18
3.	Data responsiveness	<div>The data will change dynamically if the dataset changes and graph too changes.</div> <div><div><div>Airlines Analytics</div><div>HomeAboutDashboardTeamContact</div></div><div><div><div>CountriesRegionsAirportsMunicipalities</div><div><div>2473.66K63.8K30.9K</div><div><div>name name name municipality</div></div></div></div><div><div><div>Continent-wise No of flights</div><div></div><div><div>Waterfall Chart Continent-wise No of flights</div><div></div></div></div></div></div></div>

4.	Effective User Stories	6
5	Descriptive Reports	<p>Visualization charts provide information on different airlines in different countries. Users have access to 18 different visualization charts.</p>  <p>The screenshot displays the 'Airlines Analytics' dashboard. The main feature is a 'Geo-Map - Country-wise No. of flights' showing a world map with colored dots representing flight counts by continent. The legend indicates the following color coding: North America (red), South America (green), Europe (pink), Africa (purple), Asia (teal), and Antarctica (blue). The map shows a high density of flights in Europe and Asia. On the right side, there are two filter panels. The top panel, titled 'Continent_name', lists Africa, Antarctica, Asia, Europe, North America, Oceania, and South America. The bottom panel, titled 'type', lists balloonport, closed, and heliport. The dashboard also includes a navigation bar at the top with links for Home, About, Dashboard, Team, and Contact.</p>
